

# CROSSWORD

I found today my Father

“Four letter word”

He wanted to do a crossword

“4 down”

On sunday

“Starts with L”

And yesterday I seemed to misplace his location.

“Means;”

I miss him when he fights

“Affection”

I can't understand.

“5 Across is Volcano, giving us a V 3rd letter”

How many memories are blackened in his mind.

“Last letter is now E”

I wish to spend time when he isn't here

“What is it Austin?”

I will miss him walking up campus grounds and down to my basement.

I think it's love dad.

“Me too.”
