

MEOW MEOW POW POW

IS A BROADSIDE GRAFFITI PRESS
THAT PUBLISHES PROSE, POETRY, PAIN,
PRETTINESS, AND PUTRIDITY BASED ON
A REVOLVING THEME.

Created by a posse of bored literature devotees, T-Rex enthusiasts, and cat fanatics, our crack team wants to see your words made into bitty posters to share, and wheatpaste, and fashion into paper planes that will glide and decimate in the ether and become the fabric of the universe.

We welcome all little pups and cantankerous kitties. Inclusivity is our favorite flavor.
